STANDARDS COMMISSION FOR SCOTLAND

INTEGRITY IN PUBLIC LIFE

DISPENSATION

GLASGOW CITY INTEGRATION JOINT BOARD

Following receipt of a request from Glasgow City Integration Joint Board (Glasgow City IJB), the Standards Commission has decided to grant a dispensation to allow current lived experience and third sector representative members of Glasgow City IJB to take part in discussions and decision-making in respect of agenda item 12 at its meeting on Wednesday 25th November 2026. The agenda item concerns the implementation of the voting rights provisions introduced by the Public Bodies (Joint Working) (Integration Joint Boards) (Scotland) Amendment Order 2025, and includes consideration of the future composition of Glasgow City IJB, and the appointment, representation and voting arrangements for lived experience and third sector representative members. This dispensation allows lived experience and third sector representative members of Glasgow City IJB to take part in discussions and decision-making on the agenda item, without having to declare an interest, regardless of whether they have a connection to the matter by virtue of being an existing lived experience or third sector representative member.
